## About Haizol

Haizol is a global platform connecting international buyers with suppliers in Asia. A leading online sourcing platform for OEM, custom parts and components, helping companies in procurement and meeting output quotas.

We have customers in over 100 countries, increasing production efficiency and reducing manufacturing costs. We have partnerships with hundreds of industry supply chain service providers, both upstream and downstream.

## Customer Focused

"Since using Haizol, we've seen a 145% increase in request for quotes – a huge increase in exposure and orders for us."

"Haizol stand out when it comes to the networking of buyers and suppliers. They have given me the confidence to share my RFQ drawings within a secure marketplace, and optimised my buying power!"

## Connecting Sourcing Professionals & Manufacturers Worldwide

Get same day quotes for your RFQ's – Save Time, Reduce Cost

In-house Engineering Team - On hand to check, assist, and verify RFQ's

NDA – Guaranteed design protection
